According to Govt. Order No. 3-62/C.R.B. dated 9th October 1927 each Municipal Council is an independent Unit for purposes of recruitment and the --- half-yearly "C" statement showing the composition of the ministerial and ---- executive establishments has to be ---- furnished to the Central Recruitment Board by each of the Presidents of the Municipalities. District - one for the Municipal Councils in the District except such of them as have non-official Presidents and the other as at present comprising all Government appointments within their control. This course is also perhaps desirable in view of the fact ~~the fact~~ that the establishment of Minor Municipalities is extremely small and there may have to be frequent interchanges between Government officials and ministerial officials in a District in pursuance of ---- orders issued in Govt. Proceedings No. L. 6052-125/Ml. 158-26-1, dated 1st March 1927.

If the above representation is accepted, the Deputy Commissioners may be asked to maintain in the --- District office a register of vacancies occurring in the Municipalities also and forward to the Central Recruitment Board the "A" statement of vacancies in Municipalities, to be advertised and "B" statements of appointments made in the Municipalities ~~also~~.
